## MEETING Minutes

|   |  |
|---|--|
| <b>Call to Order –</b>  | Karen called meeting to order at 0730am. In attendance was Shannon Smith, Leah Eppenback, Lori McLaughlin, Liz Primeau, Melanie Ross, Sarah Hatfield, Audrey Person, Kim Zieno, Jessica Zierott, Melanie Ross, Beth Nilson, Maggie Summerfelt, Laura Friend, Rita Petersen, Marilyn Moberg, Karen Stiles, Laila Hasan  |
| <b>Review minutes &amp; approve agenda</b><br>Minutes and agenda can be found on <a href="http://www.nphl.org">www.nphl.org</a> , under menu “Chemical Terrorism,” then “Community Planning”. | Date mistake with year 2022 on Agenda. Corrected on 1/27/2023. Audrey shared her copy which was most up to date.   |
| <b>Knowledge Center Conversion to Juvare.</b>   | Juvare version updates – guest speaker Leila Hasan from DHHS joined us later in the meeting to demonstrate the new system. Initial discussion was that all names were entered but several expressed the fact that it was never received or deleted. Therefore, names will be re-entered. Invite will send, need to log in with 7 days to active each account. Once on account, go to profile to add mobile numbers. Instructions will be sent out. The system also tracks patients and handles ICS.  |
| <b>ASC Contact List</b>   | New names have been added with staff turn-around. Will be sending again to start the new year. Ideally, best to be 3 deep at each facility.  |
| <b>Full Scale Exercise Fall 2022</b>  | Requesting volunteers to work on subcommittee to complete the AAR. The exercise was developed by College of Public Health and was done differently than past years. Advantage was more state and coalition people were involved, which made them realize what we do. Learned that set-up was a key issue and suggest that it will be a future tabletop exercise for this summer.   |
| <b>Start Real Event CoVID19 AAR Report</b>  | Will work on after March! Has been requested by facilities.  |
| <b>Future Training<br/>Other Comments, Concerns,<br/>Questions</b>  | Plan 2023 Calendar – table until January meeting<br>Tornado warning<br>Bomb Threat<br>Active Shooter ( <a href="#">Preventing Mass Attacks, Saving Lives   RAND</a> )<br>Lipid Rescue ( <a href="http://lipidrescue.org/">http://lipidrescue.org/</a> ) Kathy Jacobson, Poison Ctr or use Hypothermia <a href="https://revonto.com/">https://revonto.com/</a> (normally training provided by hospitals but individual clinics may not train on this)<br>Surgical Fires ( <a href="https://www.aorn.org/">https://www.aorn.org/</a> ) It was suggested to incorporate during routine fire drill.<br>CMS Inspections – How to prepare. |
| <b>Facility Exercises or Real events?</b>   | Pacific Surgery Center had car accident which shut down their generator over weekend, then discovered natural gas leak in building. MUD called in to fix. Hypothermia exercise done at Midlands ASC by anesthesia student. Resources found on DVD and <a href="https://revonto.com/">https://revonto.com/</a> . Rita requested someone from DHHS licensure, to speak on ASC inspections by state and how to prepare for unannounced inspections. Will check with DHHS, if Billy could speak.   |
| <b>Adjourn</b>  | Karen announced retirement for NPHL on April 1 <sup>st</sup> . However, will continue with this group on part time basis. Meeting adjourned at 0831.<br><b>Next meeting will be Friday – February 7</b>  |
